WHY BECOME A CERTIFIED AUTISM TRAVEL PROFESSIONAL?

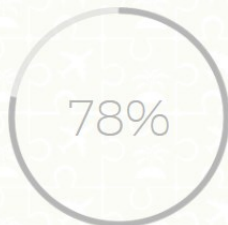

"Last year I booked vacations for 40 NEW clients as a result of my CATP certification."
 Susanna – CATP, California

Travel Survey

Survey conducted and collected by IBCCES

Families with autistic members and individuals who are on the spectrum were asked:

Are you hesitant to travel or visit new locations because you and/or your child is autistic?

responded "Yes"

Would you be more inclined to travel if autism certified options were available?

responded "Yes"

Would you take more vacations or visit more new places if you had access to autism-trained and certified options?

responded "Yes"

Do you look to physicians or therapists for travel approval?

responded "Yes"

Parents were then asked to list top priorities they look for in a vacation...
